

# EARN ELIAZAR M. CASTILLO

## PROFILE

I am a dedicated BSIT student from **Batangas State University – The National Engineering University (Mabini Campus)** with strong interest in web development, database management, and software technology. I have experience in building responsive websites, managing databases, and developing small-scale systems. Skilled in **HTML, CSS, JavaScript, SQL, and Google Cloud**, with growing knowledge in **Python and Documentation**. My projects have strengthened my problem-solving, attention to detail, and teamwork skills. I am eager to apply my abilities, learn new technologies, and contribute to projects that enhance efficiency and user experience.
